# An Opportunity to Meet our School Governors

The governors will be holding an AGM on Monday 23rd May from 6pm to 7.30pm. Parents/carers, staff and members of the local community from both Brunswick Park and Church Hill are welcome to attend this meeting, which will be held at Brunswick Park School.

We would like to invite questions in advance of the meeting so that we can give considered answers and discussions. Please send questions that are related to the federation and schools. We cannot enter into queries specific to pupils and class groups because as we are two relatively small schools it would be easy for some people to identify individual pupils or staff, and we want this to be an open public forum. You can email your questions to our clerk Lynn Aldrich - laldrich1.302@lqflmail.org

We would also like to welcome our new governor Natalie Griffiths and introduce recently joined governor Sue Markham to you all. Suzanna McGloin is our Brunswick Park parent governor.

Sports Day for children in Nursery, Reception, Year 1 and Year 2 will be the morning of Thursday 14<sup>th</sup> July and sports day for children in Years 3-6 will be the morning of Friday 15<sup>th</sup> July. Parents, family members and friends are very welcome to come and support and the event will take place on Brunswick Park field. # What have we been learning about in school?

#### **Nursery**

What a busy week we have had! After reading Olivier's Vegetables we have been investigating vegetables finding out where they come from, what they look and smell, like and choosing our favourite ones. We have compared the weights of a variety of vegetables and spent time making observational drawings and recreating Giuseppe Arcimboldo images using fruits and loose parts. In the studio, we have been working hard to develop our gross motor skills and build core strength by jumping with our feet together. Harder than you think at our age!

#### Reception

This week, we planted sunflower seeds and have been creating sunflower art work using a variety of media including paint and Shreddies! This week, we have also been thinking about our school value 'Kindness'. We have been writing notes about how we can be kind, or how people have been kind to us. We have then been putting these notes in a special 'Kindness Jar'.

# Year 4 and Year 5

Year 4 and 5 had a brilliant time at Gilwell Park earlier this week. We took part in rafting, fire lighting and team-building games. We also climbed 'Jacob's Ladder'. The children faced their fears with courage and showed great determination. They also showed kindness to each other, and supported those who found spending a night away from home more difficult. A fantastic way of putting our school values of kindness, courage and determination into action Year 4 and 5.

Well done!

#### Year 6

Year 6 completed their SATs assessments this week. We are extremely proud of how hard they worked and how well they supported each other throughout the week. We began each day with a special breakfast, and ended the week with a trip to the park as a reward. We are now looking forward to getting stuck into some new learning topics, preparing for our end of year show and graduation, and our week away at PGL Adventure on the Isle of Wight.
