Project PTA Re-launch from Mr Griffiths

It was great to see so many parents supporting this morning's coffee morning - it seems like a long time ago that the Parent Hub was used for parent social gatherings. As I said this morning, we are desperately looking for parent volunteers to join our amazing PTA. Currently, the committee is made up of members of staff with myself and Miss Wheeler acting as co-chairs. Whilst we are happy to do this to ensure that the PTA continues to operate, we would much prefer to work alongside and support a group of parents. There was a great deal of interest from a small group of parents, so I will be hosting a follow up PTA Relaunch event in the Parent Hub on Friday 7th October at 9.00. Parents can come along and find out more about the PTA and what you can do to help - the more volunteers we get, the less individuals will need to do. Securing parents for the committee would also be fantastic and I hope to encourage a few of you to step up! I look forward to seeing as many parents as possible next week!

Black History Month

October is Black History Month in the UK and we at Brunswick Park School are marking Black History Month by remembering and celebrating the important people from the past and also those who contribute to and help British society today. These are histories, journeys and lives that are recognised and valued throughout the year, however, October is a special time when we acknowledge them nationwide.

Please do get in touch with your child's class teacher if there is a story, information, artefacts or photos that your child would like to share with their class, or if you are able to support our BHM work in any other way (for example, coming in to read or tell a story).

School Councillors

We were honoured to be visited by the Mayor of the London Borough of Barnet who came to welcome our new school council and present them with their badges. It was a very special assembly - the Mayor talked to the children about her roles and responsibilities and has inspired many of us across the school.
