

NEWS FROM The Park

Week 17 27/1/2023

Message from Miss Wheeler

Another brilliant week at Brunswick Park has flown by. Recently, I thoroughly enjoyed visiting classrooms to see the excellent guided reading lessons taking place across the school. It was wonderful to see children engaged and excited in their reading sessions, and the expression and fluency in each class were fantastic to hear! This week, I have had the pleasure of joining many computing lessons. Children throughout the school were developing their computing skills from exploring direction with Bee-Bots in Nursery to recognising how data is transferred across the internet in Year 6!

Industrial Action

Please remember that the school will be closed on Wednesday 1st February due to strike action.

Parking

May we ask parents using the service road to park respectfully. You should not be parking on the roundabout. It is dangerous to you and others, especially the children. We have had reports of parents being aggressive to our staff and each other. This is not acceptable.

Attendance and Punctuality

Congratulations to 1EB and 1BW who both won the attendance award last week with 98.33%. The whole school attendance was 94.88%. RS and 6H had the best punctuality.

Please try and make sure that your child is on time for school. When children are late the office staff are away from their desks and not able to answer your calls as they are taking late children to class. We understand that circumstances occur to make you late occasionally but ask that those that are late persistently make a conscious effort to be more punctual.
