

NEWS FROM The Park

Week 21 3/3/2023

Message from Miss Wheeler

We have thoroughly enjoyed celebrating World Book Day today. Many children came to school dressed as their favourite book character or wearing comfy clothes. Throughout the day, we took part in a variety of fun, reading-related activities including reading with our buddies, reading 'Find Your Happy' by Emily Coxhead, and finding time during the day to 'drop everything and read!'

Lots of other exciting 'wow events' have taken place this week. For example, 2S had a brilliant time visiting the Barnet Environment Centre, 5H visited Bhaktivedanta Manor to deepen their knowledge and understanding, and Reception went on a nature walk to the park.

Thank you to everyone who kindly donated a gift for the Mother's Day Secret Room event. There is another non-uniform gift donating day on 10th March if you would like to get involved.

Have a brilliant weekend and I look forward to seeing you on Monday.

Healthy Snacks and Water Bottles

We encourage you to send in a healthy snack for your child to enjoy at morning break time - our days are very busy and children need to stay full of energy. Snacks must be either fruit or vegetables. Please remember that we are a nut free school so please do not send in any nuts. Please provide your child with their water bottle every day, ensuring it is filled with water only.

Thank you for your support and understanding.

Parents Evenings

The online parent consultation sign-up system is now live. When making an appointment, please refer to the information sent from the school office.

Parent's evenings are Monday 20th March and Tuesday 21st March.

Mobile Phones

Children are not permitted to bring mobile phones into school. If your child is an independent walker (Year 5 and Year 6 only) then phones can be brought into school but must be switched off and handed to the class teacher at the start of the school day. There are no other exceptions.
