

NEWS FROM The Park

Week 23 17/3/2023

Message from Miss Wheeler

Today has been a very busy day at Brunswick Park!

5C had a brilliant time visiting Bhaktivedanta Manor to deepen their RE knowledge, the Mother's Day Secret Room was a huge success and we have had a wonderful time supporting Red Nose Day 2023!

A big thank you to everyone who supported this fundraising event - good luck to all those who attempted to guess the number of sweets in the jar!

Next week, parent consultations are taking place on Monday and Tuesday. We look forward to welcoming you into school to share and celebrate your children's achievements, hard work and progress with you. Please enter the school using the main entrance on these days. Have a brilliant weekend and see you on Monday.

Parent Consultations

A reminder that Parent Consultations are on Monday and Tuesday evening. Please enter the school via the main school gate on Osidge Lane. All other gates will be locked.

Spring Book Fair

The Book Fair will be open after school from 20th - 23rd March, under the shelter.

Stock up on books while supporting Brunswick Park. At the last book fair, we raised £275 for new books for the library. Let's see if we can beat it this time. You can pay by cash or by card using a mobile device. See you there!

PTA

A date for the diary- An online PTA meeting will be held on the 28th March at 8pm.

A reminder and details on how to join the call will be issued in next week's newsletter.

Mr Riesman's PE Awards

Social ME in PE Award

Isha 4M- Demonstrating excellent leadership skills ensuring others were clear of rules and played fairly during mini dodgeball games

This is ME in PE Award

Theodore 2F- Showing lots of focus to practise his superhero dance routine with a partner and perform in front of others

Physical ME in PE Award

Jai 6H- Demonstrating great core strength and balance in our gymnastics unit.

Thinking ME in PE Award

Rafaello -- showing a brilliant understanding of how to use extension and movement in different arts of his body to show our elasticity superpower.
