

### English

We will be writing: A Narrative based on the story of the Blue Penguin by Petr Horacek and The Crocodile who didn't like water by Gemma Merino.

Children will be comparing and contrasting these two stories to develop their understanding of the story structure and to expose them to examples of high-quality vocabulary and language.

In SPaG we are focusing on key stage 1 punctuation skills. Additionally, the children will be learning to use a wider range of conjunctions to extend their sentences.

### Maths

#### Number and Place Value

- Compare and order numbers from 0-100 and mathematical signs including  $>$   $<$   $=$
- Use place value and number facts to solve problems.
- Read and write numbers in numerals to at least 100.
- Recognise the place value of each digit in a two-digit number.
- Recall addition and subtraction facts to 20 and derive related facts to 100.
- Understand that addition is commutative.

### Science

#### Our project is: **Everyday materials**

We will be identifying and comparing the suitability of a variety of everyday materials including wood, metal, plastic, glass, brick, rock and paper for particular uses.

We are working like scientists by developing and using these skills:

- Using observations and ideas to suggest answers to questions
- Beginning to recognise how to answer scientific questions.
- Performing simple tests.

### RE

We will be learning about Judaism.

Our Big Question is: **Are Rosh Hashanah and Yom Kippur important to Jewish children?**

Links to previous learning are:

Year 1 – Chanukah and visit to the local synagogue.

### History

### Geography

Our project is: Polar regions

Our Big Question is:

What would it be like to visit the Polar Regions?

We will be learning about:

How the Arctic is different to Antarctica and how this region of the world is changing.

We are working like geographers by developing and using these skills:

Answering simple geographical questions.

Naming and locating the world's oceans and continents on a map and globe.

### Art

### DT

We will be working like artists/designers by developing and engaging in the iterative process of designing and making. The children will be generating, developing and modelling their design ideas through talking, drawing, templates and mock-ups.

We will design purposeful, functioning and appealing products for ourselves or based on design criteria.

### PE

This half term we are focusing on agility, balance and co-ordination.

This unit aims to focus on developing core fundamentals of agility, balance and coordination. Children will take part in activities that improve these skills in isolation and identify ways to improve performance or adapt tasks.

Children will link these skills to more complex challenges scaffolding the use of multiple skills at once

Reading is a priority in year 2. Each child will read to an adult on a 1:1 on a rota. This will also include an opportunity to quiz on their Accelerated reading book.

In year 2 we plan and carry out whole class guided reading sessions to promote to reading fluency and comprehension skills. It is important children gain a love for literature.

As part of reading for pleasure, we have a class story we listen to at the end of each day.

# Brunswick Park Primary and Nursery School

## Autumn 1 in Year 2

### Music

As well as having a weekly singing assembly, children will prepare and rehearse for the Barnet Infant Music Festival.

### Computing

We will be learning to:

- Search for information on the internet to develop research skills.
- Use mind-mapping to improve the ability to take notes.

### PSHE

We will be learning about:  
Friendship

We will be developing these skills:  
We will be learning to create strong friendships, what makes a good friend and how to boost a classroom community.

### General Information

e.g. welcome to the autumn term, start/end times, PE days, school uniform, info relevant to your class

#### Adults in Year 2:

2F – Miss Foley (Class Teacher), Mrs Kawathekar (LSA), Dominyka (additional support assistant)

2S – Ms Rosiak (Class Teacher), Mrs Sem (Friday Teacher), Mr Coulson (LSA), Mrs Singhra and Josh (additional support assistants).

#### PE Days

2R and 2F - Wednesday and Thursday

Children are required to come into school in their PE kits on these days.

#### Music

Both classes will be participating and preparing for the Barnet Infant Music Festival. Each class will have music lessons with a

### Home Learning

We will be setting homework via Class Dojo every Friday. This will be set through different platforms such as Mymaths, Spelling Frame and TTRockstars. Homework books will not be given.

We ask parents to read with their child for at least 10 minutes every day. Adults in your child's class may ask a question to gauge children's understanding of the text. We encourage you to write a short comment in response to the question.

In Year 2 children are expected to recall their 2, 5 and 10 times tables. Therefore, we also encourage these to be practised at home.

### Optional activities to support at home:

-Carry out research on the Polar Regions and produce a PPT with the key information learnt.

-Pick an animal from the Polar Regions and create a fact file.

-Practice 2,5 and 10 times tables.

-Work on number bonds to 10, 20 and then 100 so they can recall the facts rapidly and confidently.

-Write a story/postcard that is set/from the Polar Regions and include lots of descriptive language so the reader can feel what it would be like to be from that part of the world.
