## Summer 2 in Year 5

**English**

Narrative (Greek Myth)  
 Purpose: To entertain  
 Audience: The school community – we will publish our myths in an anthology for the school library,

We will be developing these SPaG skills:

- To use figurative language including similes, metaphors and personification.
- To use fronted adverbials.
- To use the conventions of dialogue.

**Maths**

We will be focusing our learning on:

**Geometry- Position and Direction**  
 Identify, describe and represent the position of a shape following a reflection or translation using the appropriate language, and know that the shape has not changed.

**Number – Negative Numbers**  
 Interpret negative numbers in context, count forwards and backwards with positive and negative whole numbers, including through zero.

**Measurement: Converting Units**  
 Convert between different units of metric measure [for example, kilometre and metre; centimetre and metre; centimetre and millimetre; gram and kilogram; litre and millilitre].

**Science**

This term we will be focusing on:

**How do animals, including humans, change as they grow, and why are these changes important?**

**History – Ancient Greece**  
**What is the legacy of the Ancient Greeks?**

We will be exploring:

- What do artefacts tell us about what life was like in Ancient Greece?
- Can we learn anything from Greek myths and legends?
- What are the similarities between our school and schools in Ancient Greece?
- What can we learn from our language about Ancient Greece?
- How have the Olympic Games changed since they were first held in Ancient Greece?
- How is Greece governed today?

The epic hero, Odysseus, overcomes supernatural creatures and all kinds of magic, thanks to gods warring among themselves.

On his ten year journey, he endures harrowing ordeals, battles monsters and learns what it means to be a hero.

**Art**

In our art project this term, we will be looking at Ancient Greek Pottery and understanding some of the illustrations they used. We will compare and contrast Greek vases with the materials, shapes and designs of pottery today.

Within DT, we will be looking at sustainable design and creating our very own sustainable products.

**PE**

This half term we are learning to:

Play competitive games, modified where appropriate, and apply basic principles suitable for attacking and defending.

Children will develop an understanding of how to improve in athletic activities and sports, and learn how to evaluate and recognise their own success.

### Geography

Our project is: **South Aegean Region**

Our Big Question is: How does our region compare to the region of South Aegean:

Key skills we will be developing are:

To understand the difference between human and physical features which can be found in the UK.

How do To compare the key physical features of the South Aegean region to my region.

### French

We will be learning about: Les jeux Olympique

We will be taught the skills to understand slightly longer and more complicated text in French. We will learn 10 Olympic sports as well as the 1st and 3rd person conjugations of the verb 'faire' in order to express which sports we do and do not do.

### Computing

We will be learning about: Selection in Quizzes.

In this unit, pupils develop their knowledge of selection by revisiting how conditions can be used in programs and then learning how the If... Then... Else structure can be used to select different outcomes depending on whether a condition is true or false.
