

Brunswick Park Primary and Nursery School

Autumn 1 in Year 6

English

We will be writing:

- A character description about a character from 'Stormbreaker' by Anthony Horowitz.
- An advert about a gadget.

We will be developing these SPaG skills:
Revising key word classes and embedding grammar into our English work.

Maths

We will be learning about Number:

Place Value
Addition and Subtraction
Multiplication and Division
Fractions

Please revise times tables to support the learning in other topics.

Science

Animals including Humans

Our project is: The Circulatory System

- We will be describing the functions of the heart, blood vessels and blood
- We will recognise the impact of diet, exercise, drugs and lifestyle on the way their bodies function. This includes prescription medication, tobacco, nicotine and alcohol.

RE

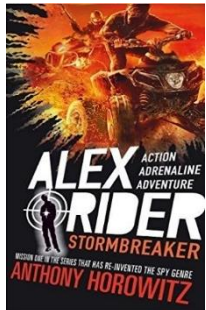

Beliefs in Practise - Buddhism

Our big question is:

What is the best way for Buddhists to lead a good life?

Reading

This term we will be reading
'Stormbreaker' by Anthony Horowitz.

Art

In our project, Year 6 will learn the art of composition as they develop their still life drawing skills and create a Cubist style piece of art using an everyday object as their subject matter. We will improve the mastery of our art and design techniques by developing our understanding of how to convey form within drawings and exploring with tone using pencil, pen and pastels. We will be working like artists by developing and using these skills within sketchbooks to record media explorations and experimentations as well as try out ideas and making their own creative response for future works.

PE

We are following the 'Beyond the physical' scheme of lessons.

On Fridays, we will be covering the activities covered in 'Fair, Share Dare'. We will be embedding values such as fairness and respect.

On Wednesdays, we will focus on modified games in the form of Netball. We will be developing our technique, control and balance.

Brunswick Park Primary and Nursery School

Autumn 1 in Year 6

French

Our value of the half term is Friendship. We will focus on

- Characteristics of friendships
- Healthy friendships
- Trust

We will be learning about: Being at School.

We will be identifying and naming the school subjects and resources in French.

Computing

Unit 1: Communication & collaboration.

We will be learning about how data is transferred across the internet and using online platforms to collaborate on a project.

PSHE

Democracy and Decisions: Children will learn about the government and parliament.

Drugs, risk and the media: Children will understand the effects, risks and laws in relation to drugs including smoking and prescription drugs.
